

## Theological Musings from Dave's Laptop

March 27, 2018

For this Holy Week, I have an unusual, and lengthy, opportunity for you.

Billy Graham was the founder of the journal, *Christianity Today*, which I've read for decades. The current issue is completely about his life and ministry on the occasion of his resurrection, just shy of 100 years old.

I'm providing access to that issue in two ways, via the two links below. The first link will allow you to read the issue online, as a web page. The second link will allow you to download the issue as a PDF file.

This is a lot of reading, but I hope you'll do it. If these stories affect you as they have affected me, you will be challenged toward a more focused, purposeful, and holy life.

May it be so, O Lord.

Amen.
